SCORECARDS

Use Bear Slide scorecards. Record your team's score on each hole and turn in at the end of the round.

WHAT'S IN YOUR PACK

● 4 Mulligan Cards ● 1 Cheat Code Hole Card ● 1 Lifeline (string)

Mulligan

4 cards · one per player

Each player on your foursome receives one mulligan card. Use it anytime during the round to replay any shot — an errant drive, a chunked approach, or a putt that burned the edge.

Tear your card when you use it. One use per player, no exceptions.

Cheat Code Hole

1 card · one use

Choose one hole (any par 4 or par 5 on the course) where your entire team tees off from a preferred forward position instead of the standard tee box:

- **Par 4** — team tees off from **150 yards** out from the center of the green.
- **Par 5** — team tees off from **200 yards** out from the center of the green.

Declare before the hole begins. Tear the card when used. Use once during the round.

The Lifeline

1 string · one use

Your randomly assigned length of string (6–24 inches). At any point during the round, if your ball finishes within the string's length of the cup, it counts as holed — no additional shot needed.

Measure from the edge of the cup. Use once during the round.

50/50 RAFFLE

Tickets available throughout the round on course. Drawing held at the end of the round.
